

Diocèse de Valleyfield

Most Reverend Noël Simard
By God's mercy and the Grace of the Apostolic See
BISHOP OF VALLEYFIELD

As a testimony of high esteem and gratitude, I am pleased to proclaim

Mrs Debbie Legros Clément
MEMBER OF THE ORDER OF DIOCESAN MERIT

and to confer the title and the insignia upon her. She has always been a well-known figure of the Huntingdon community, especially in the health field, but also in St. Joseph Parish. She sings in the parish choir from the age of six and she has been conducting the English-language choir for forty years, always with the same enthusiasm and commitment. She is involved with youth education, preparing the sacraments of communion and confirmation for the last twelve years. With other partners, she has created a parenting committee for the sacrament of baptism for twenty-eight years. She is always available at the fundraising or other activities for the parish. She works hard and acts as a leader in the English-speaking community. It is rare to find committed volunteers like her. A parish cannot but feel privileged to count among its members people like Mrs Debbie Legros Clément.

In witness whereof I sign, this fourth day of the month of November of the year two thousand and eighteen.
