THE GROUNDHOG HAS SPOKEN...

And there are a few weeks of winter left. We need your help! The walks need to be shovelled and volunteers are needed. Can you commit for one week to help out shovelling the walkways around the church? If it snows you come – if it doesn't you don't! There is a sign-up sheet in the entrance – Please Help!

CLEANING OUT THE CUPBOARDS

We will be doing some much needed renovations to our kitchen and the cupboards will be emptied. If you have any items in the kitchen, please take them. If you would like to help with the cleanout, please contact Mary Martin at 514-453-3329.

Catholic Wisdom!

A little fish spent its life asking other fish where to find the ocean. An ancient sea creature told the little fish that is was, in fact, swimming in the ocean. The little fish couldn't believe that *this* was the ocean and continued to believe that all it was doing was swimming in plain old water.

Jesus spends his ministry explaining how we are to swim in the ocean of God. Jesus invites us to dive headlong into the deep ocean of God's love - not to just splash a couple times or paddle around but to abide, reside, and thrive. When Jesus tells us that it is the Holy Spirit that gives life, we should believe him. Jesus invites us to see that life is all about the fathomless ocean of relationship between us and God.

SHOWCASE 2019

On behalf of the Showcase 2019 team, thank you to all who helped and supported the show. With proceeds from the show we were able to give generously to the food band and the Church. We helped to pay for new tables in the hall and improved sound system for choir, among other things. Without everyone's support, none of this would have happened. Thank you again, J. Barany
