SOMETHING TO THINK ABOUT

May God the Holy Spirit move within us and give us eyes to see with, ears to hear with and hands that God's work might be done.

- St Dominic

REFLECTION

Today's liturgy reminds us that Jesus, the Word of God, is the Light of the world, a light that shines through the darkness of our frail ideologies. The deepening world crises are proof that we can't get it right on our own. Collectively, we've tried everything except God's way: the way of love, compassion and forgiveness.

So why did God say, in Isaiah, “Your light shall rise in the darkness”? Why did Jesus say, “You are the light of the world”?

All wisdom is God's wisdom. When we let it guide us, when we live by it, we begin to reflect his light the way the mood reflects sunlight: as a pale reflection. St Paul said humbly “that your faith might rest not on human wisdom but on the power of God.” May the power of God light up our lives!
