SOMETHING TO THINK ABOUT

A great means to preserve continual peace and tranquility of soul is to receive everything from the hands of God, both great and small, and in whatever way it comes.

- St Dorotheus

REFLECTION

Psalm 103:14. For He knows how we were made; He remembers that we are dust.

The solemnity of Ash Wednesday is breathtaking. This might seem strange to say, yet in the midst of the busyness of life and, in the northern hemisphere, the lengthening of days and the coming of spring, sitting among the ashes is truly a gift. I think this in part because I love working in the garden. I love the feel of good earth, the crumble of dirt clods, the smell of freshly turned soil and the promise of new life to come.

Entering into Lent is a fragile time. We are asked to delve deep into our very selves. We are called to come face to face with those times when we have grieved God's holy spirit. Forty days are to be spent in the darkness, digging around, feeling the sticks and stones, and working faithfully to prepare the soil for new life. It is hard work.

Hopefully, we will come to remember that this very dirt of life is from whence we came and to where we shall return. In between is life. For that, let us give thanks.
